

Surveillance System for the Introduction of Antimicrobial Resistant (AMR)
Organisms into the U.S. Following International Travel

Research Study

Date: _____

Dear _____,

Thank you for your enrollment in the MGH antimicrobial resistance (AMR) research study. According to our records your planned departure date was _____. Unfortunately, we did not receive a sample prior to that date. Without a baseline sample, we are unable to continue your enrollment in the study. Please let us know if the date we have on file is incorrect or if your travel plans have changed.

If you have received this letter and did mail your sample, it is possible that it has been delayed in the mail. If that is the case, please call the phone number provided at the bottom of the page.

Thank you again and we hope you had a safe and enjoyable trip!

Sincerely,

The MGH AMR Team
