

Surveillance System for the Introduction of Antimicrobial Resistant (AMR)
Organisms into the U.S. Following International Travel

Research Study

Date: _____

Dear _____,

Thank you for your enrollment in the MGH antimicrobial resistance (AMR) research study. According to our records your planned return date was _____. We have been trying to reach you to conduct a brief questionnaire about your travel experience and to remind you to mail in your post travel sample. Unfortunately, we have not heard back from you. Because we are unable to complete the required steps, we must withdraw you from the study at this time. Please let us know if the date of your return as noted above is incorrect or if your travel plans changed.

If you have any questions or concerns, please do not hesitate to call at the provided number below.

Thank you again. We hope you had a safe and enjoyable trip!

Sincerely,

The MGH AMR Team
